Please remember that you are viewing printed samples sized to fit with the information on the page. While the most sophisticated printing methods were used to produce this catalog, you may require a swatch of the fabric to view the entire pattern and to truly appreciate the quality of the products offered. All patterns are available in a selection of color ways as a part of our standardized program. \*Bleach cleanable fabric. 10% Dilution of consumer strength bleach. The bleach must be rinsed from the fabric (see cleaning instructions for details).
