JOERNS ASSETCARE® – YOUR EQUIPMENT, OUR GUARANTEE

BRINGING COMPREHENSIVE CARE TO EQUIPMENT

	REGULATORY COMPLIANCE SUPPORT:	Early identification of risk factors such as entrapment or infection control issues before they impact surveys.
	SAFETY & QUALITY ASSURANCE:	Comprehensive inspections that ensure equipment is safe, functional, and properly configured for patient care.
	COST AVOIDANCE:	Extend asset lifespan, reduce premature replacements, and limit unplanned downtime through preventive maintenance.
	OPTIMIZED ASSET TRACKING:	Data collection and reporting compatible with your asset management systems.
	DISCOUNTED PARTS & REPAIRS:	Lower costs for repairs and replacements discovered during service visits.

60-DAY GUARANTEE

Enroll in Joerns AssetCare® today and if the promised deliverables are not received within the first 60 days, you will not pay for the program. See Program Guide and Terms and Conditions for full details.
