The Supplier warrants that on delivery, and for the Warranty Period, the Goods shall conform in all material respects with their description and any applicable Specification; and be free from material defects in design, material and workmanship.

If the Customer gives notice in writing to the Supplier during the warranty period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty, the Supplier is given a reasonable opportunity of examining such Goods; and the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier's place of business at the Customer's cost, the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.

The Supplier shall not be liable for the Goods' failure to comply with the warranty in any of the following events:

The Customer makes any further use of such Goods after giving notice

The defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, commissioning, installation, use and maintenance of the Goods or (if there are none) good trade practice regarding the same;

The defect arises as a result of the Supplier following any drawing, design or Specification supplied by the Customer;

The Customer alters or repairs such Goods without the written consent of the Supplier;

The defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or

The Goods differ from their description or the Specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.

These Conditions shall apply to any repaired or replacement Goods supplied by the Supplier.
